

**ASSEMBLY BILL**

**No. 105**

**Introduced by Assembly Member Cohn**

January 11, 2005

---

An act to add Article 2.5 (commencing with Section 110387.10) to Chapter 4 of Part 5 of Division 104 of the Health and Safety Code, relating to food labeling.

LEGISLATIVE COUNSEL'S DIGEST

AB 105, as introduced, Cohn. Food labeling: California Healthy Seal Program.

The existing Sherman Food, Drug, and Cosmetic Law provides for the regulation by the State Department of Health Services of the packaging, labeling, and advertising of food, drugs, and cosmetics.

This bill would require the department to establish a voluntary food inspection program, to authorize placement of the "California Healthy Seal" upon, or in association with, compliant food products, and to assess a fee upon participants to cover the costs of the program. The bill would establish the California Healthy Seal Fund for deposit of the fees, to be available for these purposes upon appropriation by the Legislature.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: no.
